Subject: Edi Fortenberry: State of State and Supreme Court Justices

Mrs. Fortenberry phoned today to request a copy of the Governor's State of the State speech for a class assignment for her daughters. She also asked if we had info/biographies on the Supreme Court Justices. She said that she had gotten the run around and been transferred 3 or 4 times when she called the Supreme Court.

I obtained the State of the State address for her. I also copied the pages out of the Secretary of State's "Blue Book" for her, denoting to her that Justice Lee has retired, Justice Smith resigned to run for Governor. I printed Justice Cobb's biography off of the Supreme Court web page for Mrs. Fortenberry.

I prepared correspondence for the Governor's signature acknowledging Mrs. Fortenberry's request.

This case is closed.
